

TAKING FORWARD THE RESULTS OF THE SUMMIT OF THE FUTURE

BY MARCELO FETT

STATE SECRETARY OF SCIENCE, TECHNOLOGY AND INNOVATION OF SANTA CATARINA

**“THE CHALLENGES OF THE 21ST CENTURY MUST
BE SOLVED WITH 21ST CENTURY SOLUTIONS”**

- Antonio Guterres

THE MAIN SIGNIFICANT CHALLENGES IN SEVERAL AREAS

International Cooperation

Innovation and Technological

Financial Commitments

Support from Civil Society and the
Private Sector

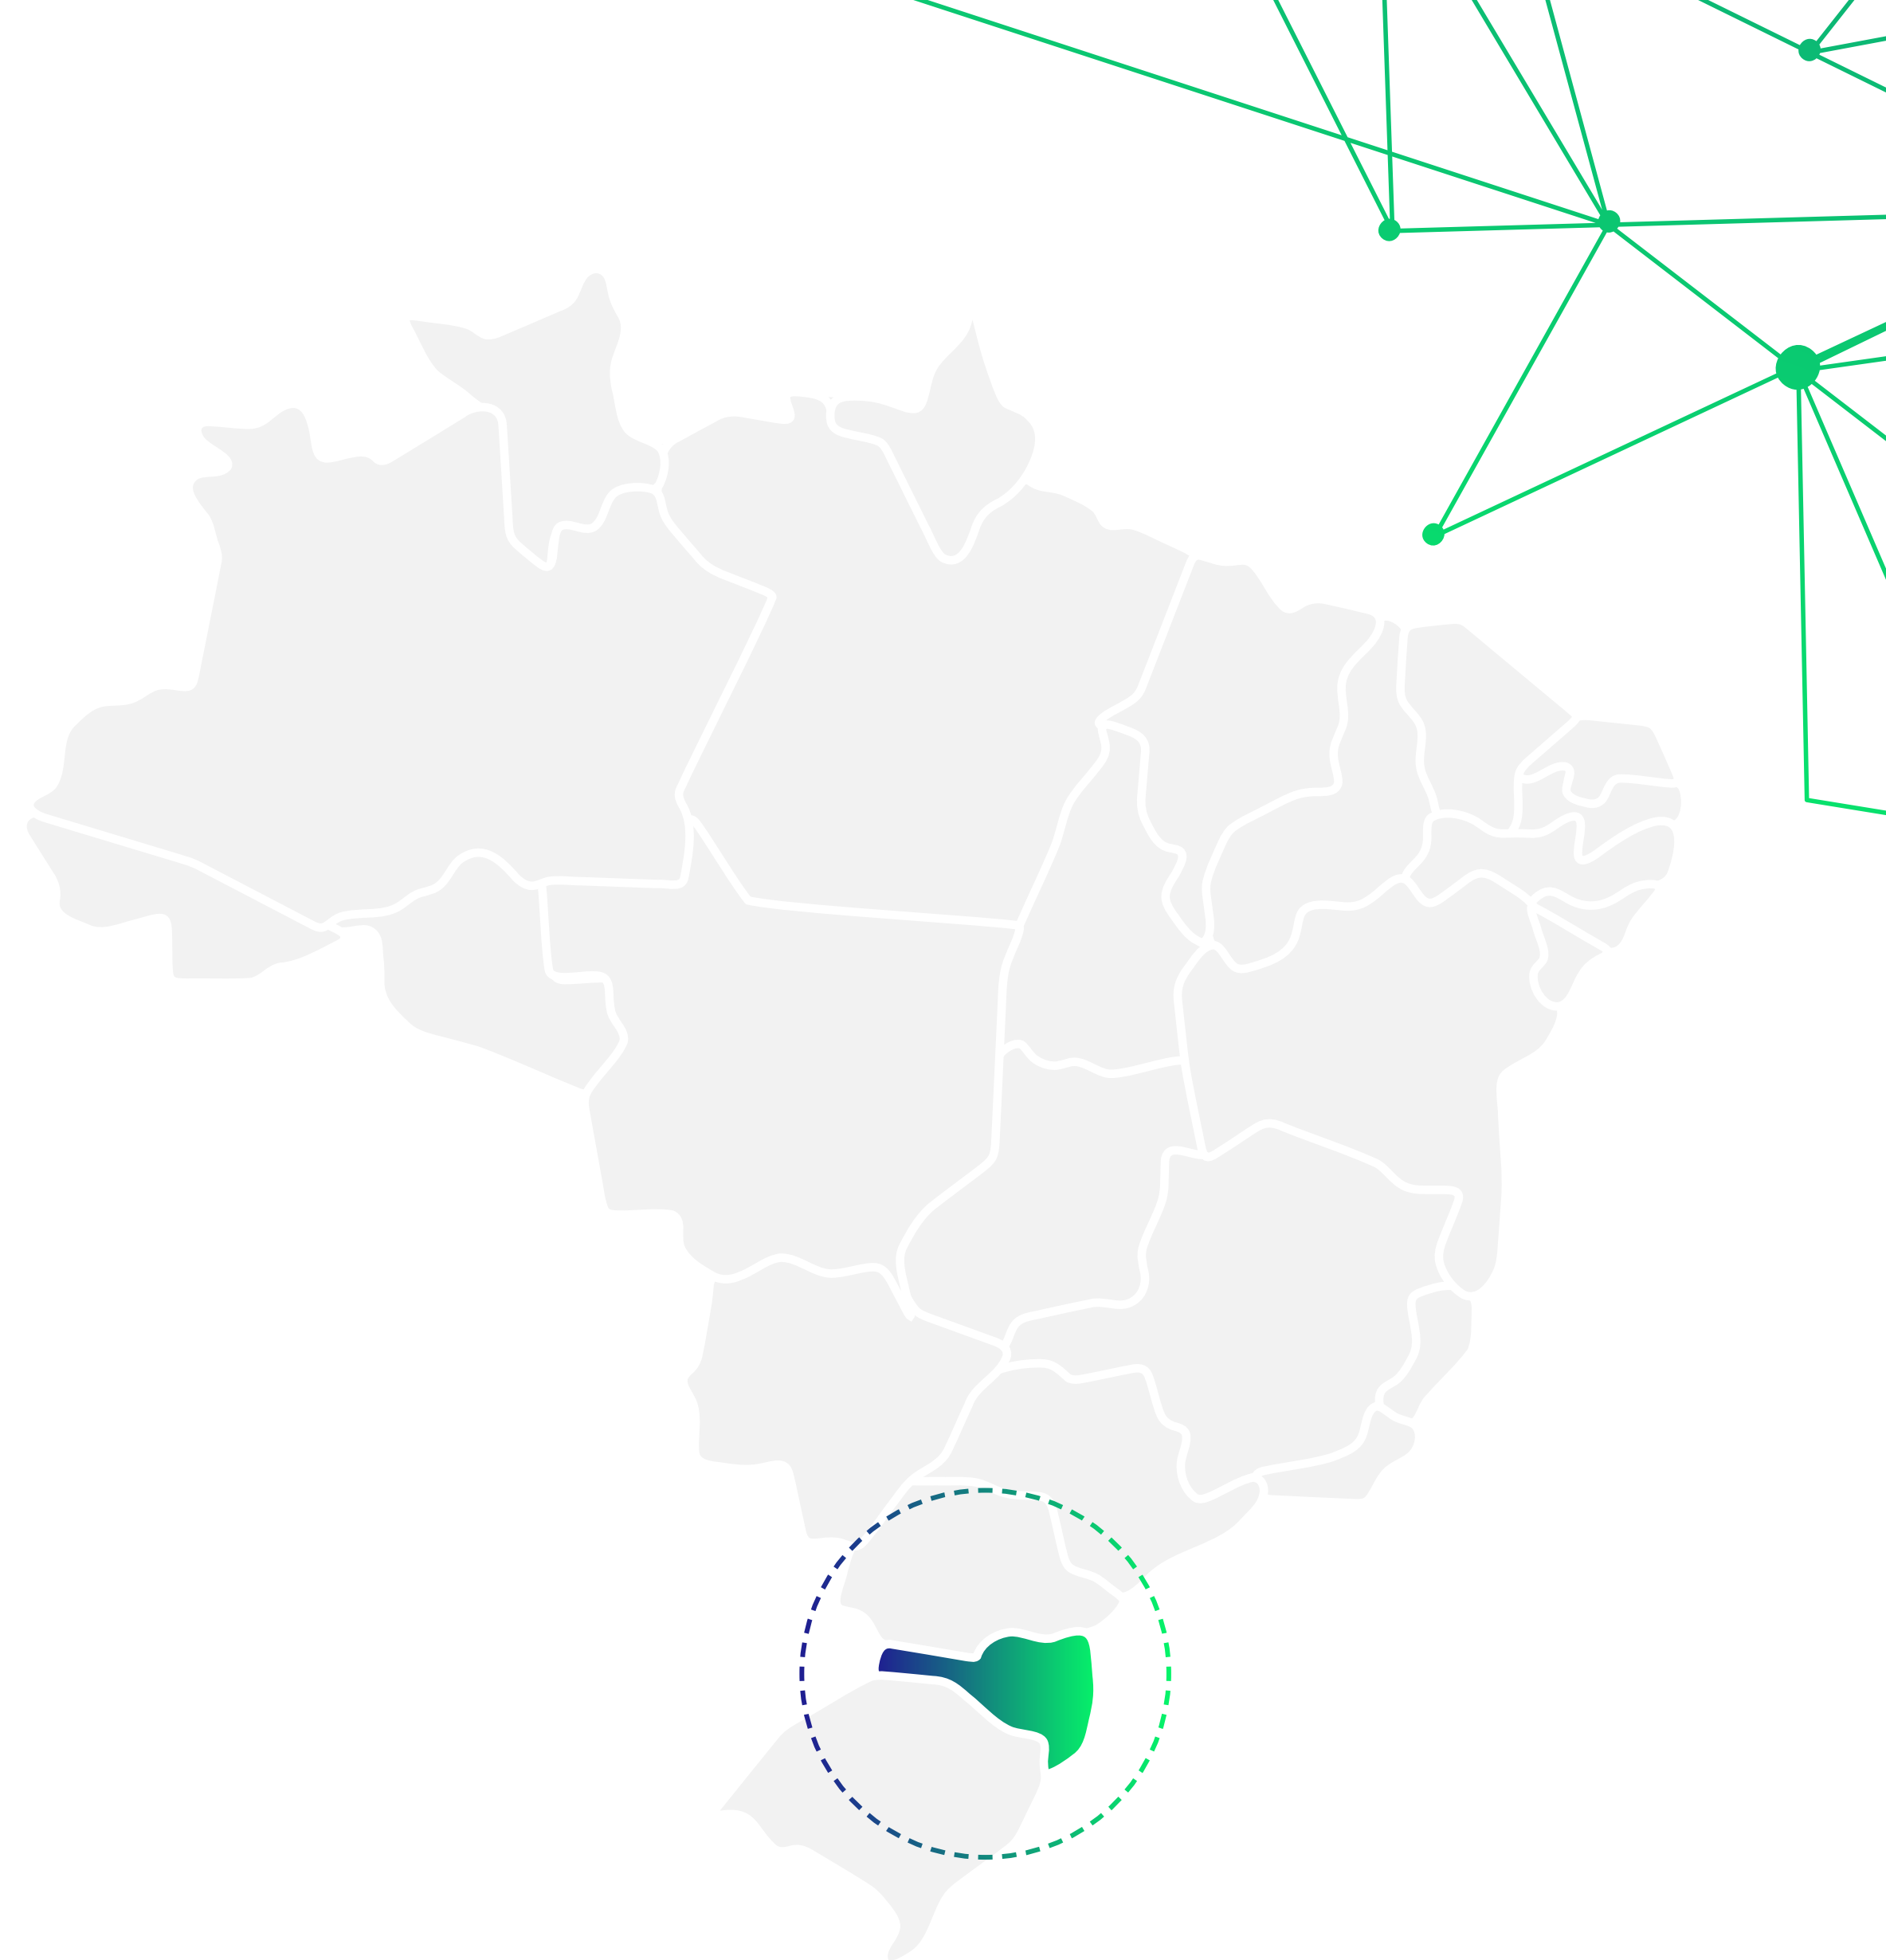

Solutions to Climate and Environmental

Social and Economic Inequalities

Santa Catarina is a small state in south of Brazil that has just over 1% of the country's territory but **is responsible for over 6% of Brazil's GDP.**

And, considering Brazilian legislation, it has been doing its part in line with the commitments established by the Summit.

SANTA CATARINA INITIATIVES

**INTERNATIONAL
COOPERATION**

PRONAMPE
PRODEC

**ECONOMIC
DEVELOPMENT**

**REDUCE SOCIAL
INEQUALITIES**

Santa Catarina
((Sinal Bom))

**INNOVATION AND
TECHNOLOGICAL**

Santa Catarina is a Brazilian state that stands out in **several sustainability initiatives** and has one of the **strictest environmental laws in the country.**

One of the largest producers of organic food in Brazil, with programs that **encourage the transition to more ecological and sustainable farming methods.**

We are the **second largest innovation hub in Brazil** and home to several startups and technology companies focused on sustainable solutions.

Thank You!
